

DOWNTON PARISH COUNCIL

Minutes of the Meeting held on Monday 8th February 2016 at the Band Hall, Gravel Close, Downton at 7.30 pm.

Present: Cllr Mace (Chairman) and Cllrs Brentor, Chandler, Cordell, Dickinson, Ford, Hayward, Quarmby, Sutcliffe, Whitmarsh and Yeates.

In attendance: Mrs Bev Cornish, Parish Clerk.

Also present: Unitary Cllr Julian Johnson and ten members of the public.

Public Question Time:

Mr Patrick Briddon advised that he and two other residents were present to register their objection to the potential proposal to locate the route for the footbridge across the Avon via Green Lane. He said that if it goes ahead there would be 'one hell of a fight'. He also reported that several residents on the other side of the river to Green Lane, who had been been unaware of the plans, were also appalled.

Cllr Whitmarsh asked Mr Briddon whether he was objecting in principle to a bridge across the river or whether his objection was that it should not be routed via Green Lane. He confirmed that he was not against a bridge across the river in principle but that it was routed via Green Lane.

Mr Bryan Morris asked if the Parish Council could provide an update on the meeting with representatives of the Primary School and the Environment Agency to discuss the redesigned plans for The Bunny.

Mr Rick Ladds asked that if the 'northern swale' plan was to be implemented there would be a full planning application for it. He also asked whether the recommendations of the Conservation Officer were going to be followed with regard to the classroom block and if not, why not. He asked further whether all residents who lived adjacent to rivers were aware of their responsibilities and asked whether the Parish Council was going to write to all of them to remind them of these. He said the particular issue was The Bunny on both sides of The Borough.

Mrs Chris Parry reported that the owner of Fairfield House arranged for the section of The Bunny which crossed his land to be cleared annually.

Mrs Jenny Saxby asked for clarification with regard to the landscaping of the extended playground at the Primary School and whether the new plan was the plan the Primary School was pursuing rather than the upstream solution. She asked that the trees be planted be of a sufficient height to screen the playground and that there be a clause in the lease to provide protection for the neighbours against noise. Mrs Saxby asked further that something be done with the fence on the eastern side of the Memorial Gardens as it was in a poor state of repair.

Unitary Cllr Julian Johnson gave a brief report advising of the following:

- Wiltshire Council was currently going through its annual budget process;
- Its total budget was just over £900 million with £587 million of it for schools and £342 million of it for providing 350 services including children, adult and disability care and highways;
- The grant from government had been reduced by £16 million and the Council was looking to make a further £25 million in savings for the coming year;
- The Council was likely to increase the Council Tax for 2016/17 by 1.99 percent and there would also be an increase in the precept for the Fire Service of 2 percent.
- Cllr Johnson said he questioned how long this sort of austerity could continue;
- He encouraged members to complete Wiltshire Council's consultation on the rural bus services and said he would be pressing for no local services to be cut.

Cllr Mace thanked Cllr Johnson for his report.

- A report was received on the emergency work required to repair the roof of the Memorial Hall.

New Housing Development Committee: Cllr Quarmby gave a brief report on a recent meeting at which the Parish Council's response to the Primary School's Draft Admissions Policy for 2017/2018 had been agreed. He said there had been a lengthy discussion on the issue of the school needing to give as much flexibility to in catchment children before out of catchment children. This was to enable the school to take account of the new housing developments which were to come on stream in the next 2-3 years.

Cllr Quarmby said that he had given a report on a meeting with Mr Luke Martin regarding the plans for The Bunny and updated members on a subsequent meeting which he attended on site with Wiltshire Council and the Environment Agency at which a redesign had been discussed whereby two ramps on either side of a reduced bridge had been considered to be acceptable. He also responded to several questions raised by members of the public.

Cllr Yeates expressed his dismay at the lack of progress on the preferred upstream solution and said he was concerned by the plethora of additional fencing proposed in the new design and the impact they would have on the conservation area. A very lengthy discussion ensued on whether the Parish Council should write further to Wiltshire Council regarding the leasing if, as the Parish Council had previously stated and requested, no work to explore the upstream solution to demonstrate its unviability had been carried out by Wiltshire Council. The Clerk reported that she was still awaiting a response from Mr Alistair Cunningham to a letter she had sent on behalf of the Parish Council on 21st January 2016.

She said discussions had been held on the taking on of Speed Indicator Devices and parishes had been asked to consider the theme of conservation and how it related to their parishes.

Public Conveniences: Cllr Mace gave a brief report on a recent meeting with Wiltshire Council at which it had been made clear that there was not an option to defer the taking on of the public conveniences to April 2017. He said that if the Parish Council did not take on their servicing, Wiltshire Council would lock the doors on 1st April 2016.
