

Risk Assessment for contracting a Locum Clerk as authorised in minute 226.20 of the Parish Council meeting held on 11th January 2021

- **266.20** After a brief discussion Cllr Cornell proposed, Cllr Roberts seconded and it was RESOLVED to authorise members of the Staffing Committee to appoint a locum clerk (as a contractor, not as an employee) to act as the Clerk for meetings of the Parish Council, and any of its Committees and Sub-Committees, whilst the Clerk is not fully back to work, and to allow the members of the Staffing Committee to spend up to £2,000 on such services.
- The Parish Council is not required to manage payroll activities for the Locum Clerk or provide pension arrangements.

The Parish Council therefore needs to consider any risks that this arrangement poses:
