86.21 Public Question Time

The Chair of the Downton Society spoke in support of the proposed risk assessment and letter of agreement regarding the Topiary Cuckoo drafted by the Clerk. She said a member of the Downton Society had devised a means of installing the planter with Access Engineering and he subsequently gave a brief presentation to the Council. She also said that a member of the 'It's Your Neighbourhood' assessment team would be looking at The Borough and new planters on Tuesday 20th July.

A resident living next to the Memorial Gardens sought permission for temporary access over part of the Memorial Gardens to ferry materials for some work to be completed in his garden for a period of two weeks. He said he was happy to adopt the same arrangements with the Council as was agreed when his loft extension was completed in 2016.

87.21 Unitary Cllr Richard Clewer:

Cllr Clewer gave a brief report on Wiltshire Council matters and said that a huge amount of work was currently being undertaken. He also said that he had asked for a Council policy to be prepared for grass cutting across the county with a view to enabling more wildflower verges to be created as this was a 'hot topic' raised by residents.

In response to a question on how the cost of the re-running of the Police and Crime Commissioner election was to be met, he said it was to be met by the Cabinet Office and not by Wiltshire and Swindon councils.

88.21 Apologies

Cllr Brentor proposed from the Chair and it was RESOLVED that an apology received from Cllr Roberts due to a holiday commitment and an advisory email from Cllr Randall that due to work commitments he would arrive at the meeting at around 8.30 pm be accepted.
