

Downton Parish Council
WE NEED YOUR SPARE OR DONATED BULBS PLEASE!

Downton Parish Council will be carrying out an extensive beautification of our Parish over the next coming months, to delight the eyes, nose and to encourage pollinators and fruit pickers!

We also want to plant bulbs (**BUT NOT the invasive Spanish Bluebells, thank you**) underneath the two Cemetery signs in Barford Lane, on the Beacon and anywhere else that we can! We are looking to create a bulb "lasagne" effect with bulbs coming up through spring, summer and autumn.

♥ We will need volunteers to help plant the donated bulbs out in October so please contact the admin. officer on the email/telephone number below ♥

Please donate what bulbs you can, all labelled please. Donations can be left in the box in the Porch at The Bull or in the Coop. **Please donate by Friday 18 of October.** Or call 07483 344035 and we can collect.

Let's all make our Parish EVEN more beautiful, the DPC thank you for your generous donations.

DPC are waiting for a delivery of free Woodland Trust Hedging pack and have been successful in our Kings Coronation Grant application...watch this space!
